

The smart car buying guide

New and upcoming launches

In December, four new car models landed in Singapore showrooms. The updated MINI Countryman is the biggest and most versatile member of the MINI model, and comes updated with new equipment and a redesigned exterior.

Mercedes-Benz launched the facelifted E-Class Saloon, which has been comprehensively upgraded, featuring a reworked design and the latest generation equipment and safety systems.

Volkswagen announced the availability of the new Passat, now equipped with a 2.0-litre

engine, along with a range of equipment upgrades. And the updated Suzuki Swift compact hatchback features a new 1.2-litre DUALJET engine paired to a mild-hybrid system, while the interior of the car also receives a number of equipment upgrades.

In the coming month, one new car model launch has been announced – the all new Honda Jazz, the ever popular compact hatchback, which is set to be launched in January.
