

Annual value of transactions and average prices in GCB Areas*

Notes:

- 1) From 2010 onwards, transactions are downloaded from both URA and SISV databases. Prior to that, only URA data was used.
- 2) Transactions include bungalows with land areas smaller than 1,400 sq m (15,069.46 sq ft) so long as they fall within the 39 Good Class Bungalow Areas.
