Singapore stocks end lower, snapping 3-day record streak

SINGAPORE stocks ended lower on Friday (Feb 6), paring earlier gains to snap a three-day record run.

The benchmark Straits Times Index (STI) fell 0.8 per cent, or 41.46 points, to close at 4,934.41. The iEdge Singapore Next 50 Index edged down 0.1 per cent, or 0.79 point, to 1,501.6. Across the broader market, decliners outnumbered gainers 371 to 237, after 1.3 billion securities worth S\$2.2 billion changed hands.

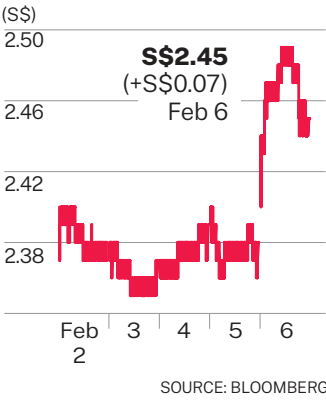

Regional markets were mixed. Hong Kong's Hang Seng Index slid 1.2 per cent and South Korea's Kospi dropped 1.4 per cent, while Japan's Nikkei 225 rose 0.8 per cent and Malaysia's FTSE Bursa Malaysia KLCI added 0.1 per cent.

CapitaLand Integrated Commercial Trust (CICT) led the gainers on Singapore's blue-chip index, rising 2.9 per cent or S\$0.07 to S\$2.45, as it traded on a cum-dividend basis.

The manager of CICT on Friday declared a distribution per unit (DPU) of S\$0.0596 for the second half ended December, up 9.4 per cent from a year earlier. This lifted full-year DPU for

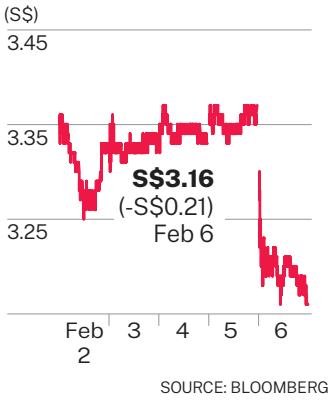

Top gainer

CICT

Biggest fall

Yangzijiang Shipbuilding

For full listings of SGX prices, go to <https://www2.sgx.com/>

the 2025 financial year to S\$0.1158, an increase of 6.4 per cent year on year.

Based on CICT's closing unit price of S\$2.39 on Dec 31, 2025, its distribution yield for the full year came in at 4.8 per cent.

Yangzijiang Shipbuilding was the worst-performing STI constituent, falling 6.2 per cent or S\$0.21 to S\$3.16.

The decline likely followed weaker earnings from shipping giant Maersk and plans by the

Danish group to cut 1,000 jobs.

All three local banks ended lower. DBS fell 0.6 per cent to S\$59.30, OCBC declined 1 per cent to S\$21.23, and UOB slipped 0.4 per cent to S\$38.50.

The banking trio are set to report their fourth-quarter and full-year 2025 results later this month, starting with DBS on Feb 9, followed by UOB on Feb 24, and OCBC on Feb 25.

Kuok Maritime Group's PaxOcean opens S\$200m Jalan Samulun shipyard

By Shikhar Gupta
sgupta@sph.com.sg

KUOK Maritime Group subsidiary PaxOcean on Friday (Feb 6) opened a S\$200 million shipyard at 5 Jalan Samulun. The company falls under Malaysian billionaire Robert Kuok's Kuok Group.

The shipyard, situated in Jurong Industrial Estate, spans about 17.3 hectares and features two large dry docks, one floating dock, expanded quayside capacity and integrated workshops to "support complex and high-value maritime and offshore assets".

The build took two years and was jointly supported by JTC Corporation and the Singapore Economic Development Board (EDB), said PaxOcean. It replaces PaxOcean's previous location at 33 Tuas Crescent.

The new yard occupies a "significantly larger footprint", which PaxOcean noted gives it the ability to handle more complex projects with faster turnaround. "Overall, the yard will strengthen Singapore's newbuilding, fabrication, conversion and repair capabilities." In addition, it said that it has committed more than S\$3.5 million in research and development (R&D) investments over the next three years, supported by EDB's Research and Innovation Scheme for Companies. A key investment will be PaxOcean's new Centre of Excellence in Engineering R&D.

That will strengthen capabilities in carbon capture, utilisation and storage, systems integration, simulation and digital twin applications, said the company. It will also support the creation of 12 high-skilled engineering and research roles.

The shipyard is also set to be a "convenient platform" for test-bedding solutions, with support from the centre of excellence and an innovation hub to "advance Singapore's capabilities in developing, testing and deploying next-generation maritime solutions". It also incorporates "energy-efficient infrastructure and greener operations" under a phased road map that includes electrification initiatives, smart energy and logistics systems.
