

# The smart car buying guide

IN SEPTEMBER, nine new car models arrived in Singapore. MINI launched the MINI Clubman Jermyn Edition, a special edition that takes its inspiration from the gentleman's mecca. The car is available here as a Cooper S variant, with a 2.0-litre four-cylinder generating 178bhp and mated to a seven-speed Steptronic sports dual-clutch transmission. MG put out its MG5 EV, an all-electric stationwagon, in two trims. The first utilises a 50.3kWh battery with a 161bhp electric motor and claimed range of 420km, while the second gets a 61.1kWh battery and 154bhp electric motor covering 500km on a full charge.

Audi showed the e-tron GT and RS e-tron GT, both all-electric four-door coupes with 94kWh batteries. You get 469bhp in the e-tron GT and 590bhp in the RS e-tron GT. Lamborghini launched the Aventador LP780-4 Ultimae, the final production model for Lamborghini's V12 that delivers 769bhp and 720Nm of torque to all four wheels for a century sprint time of just 2.8 seconds.

Mercedes brought in the new Mercedes-Benz EQA, its entry-point into its electrified range with stated 426km range from a 66.5kWh battery. Jaguar launched two facelifted models: the

F-PACE SVR, a performance SUV with a 5.0-litre supercharge V8, and the XF sedan. Finally, Morgan debuted its Plus Four, a convertible powered by a 2.0-litre four cylinder, which delivers 255bhp and 400Nm of torque if paired with an eight-speed automatic. The car is also offered with a six-speed manual, capped at 350Nm of torque.

For October, the Suzuki Ignis, a subcompact crossover, is set to make its debut here. No local specifications have yet been revealed, but it is sold in the UK with a 1.2-litre petrol unit and the option of a 12V mild-hybrid system.

## New cars with high pageviews on sgCarMart.com (in alphabetical order), for Sept 1-28
