

# The smart car buying guide

## New and upcoming launches

In the second half of October, three new car models were launched in the Singapore market. The practical and functional Mercedes-Benz GLB - the brand's first 7-seater compact luxury SUV - arrived on our shores. Mazda added to its CX lineup with a new SUV positioned between the CX-5 and the CX-9. Mazda's new CX-8 SUV will be offered here with both six or

seven-seat configurations. Also just in is Cycle and Carriage Kia's fourth generation of the globally popular Sorento SUV, now available here with diesel power.

In November, one new model is set to land here. BMW will soon market the second generation 4 Series Coupe, bringing a bold exterior design, upgraded driver assistance systems and class-leading handling and performance.
