

SPH GOLF CARD & GAOTOO

Sign up for the fastest growing and most comprehensive non-estate golf membership in Singapore at the SPH Golf-Takashimaya Golf & Travel Fair 2019.

With the SPH Golf card, members will enjoy access to local golf clubs such as Changi Golf Club, Sembawang Country Club and Warren Golf & Country Club, preferential rates at over 20 courses across the region, green fee vouchers, handicap maintenance, global golf insurance and so much more.

New at this year's fair is an exclusive partnership with Gaotoo, China's premier booking app.

Launched in 2015, Gaotoo boasts a wide database of over 100 golf clubs in China with discounts of up to 65 per cent off usual rates, membership events and an online community to share experiences with.

With the ability to search, book and make payment

directly from the app, Gaotoo streamlines the process of securing a tee time at golf clubs such as Mission Hills Golf Club, Kunming Sunshine Golf Club, Nanshan International Golf Club and Anhui Huangshan Pine Golf & Country Club.

Within the app, golfers can also rate and share their experiences, as well as take part in the "Members Cup", a bi-weekly tournament held at different courses to promote friendly competition and networking.

In an exclusive partnership with the SPH Golf Card, new registrants, or renewing members, who sign up at the SPH Golf-Takashimaya Golf & Travel Fair 2019 will have the option of adding on a VIP Gaotoo membership at a rate of \$60 per year.

After registration is processed, they will be provided a unique user ID and password that will give them full access to the app, its preferential rates and other benefits.

Along with the Gaotoo add-on,

new sign ups and renewals will also receive a free Under Armour cap worth \$25.

There will also be an option to bundle the SPH Golf Card membership with an SPH newspaper subscription, starting from \$29.90 per month (excluding delivery fees) for a minimum period of one year.

Subscription includes daily delivery of the print edition, and full access to the digital edition of The Straits Times and The Business Times. – **Booth E9**
