Three focus areas

Enhance versatility

- Work with Institute of Banking and Finance to review standards and identify new competencies needed
- Develop progression pathways for evolving job segments

Facilitate mobility

- Career advisory centre to be set up in April to cater to financial professionals
- The Association of Banks in Singapore has set up a Jobs Board for banks to post job vacancies

Build resilience

- Partner e2i to pilot change management programme to help workers to upgrade skills
- DBS, OCBC, UOB will kickstart the programme in March
