

Shaking off the blues

'New-wave' restructurings

- **Sembcorp Industries:** pivots to renewable energy, sustainable solutions after split with O&M unit
- **Singtel:** aims to monetise infrastructure assets, lean into 5G and new ICT growth levers
- **Keppel Corp:** ditches rig building, recasts itself as clean energy, urban solutions provider
- **CapitaLand:** big reboot as asset-light firm, focused on real-estate investment management after shedding traditional development business
- **Singapore Press Holdings:** plans to exit media business, tap growth in other areas including purpose-built student accommodation, aged-care
- **Olam International:** rejigs huge agri-portfolio into two bite-sized entities of food ingredients and global food, feed and fibre business
- **Jardine Matheson:** took Jardine Strategic private to simplify group structure
- **ComfortDelGro:** will focus on clean energy, tinkering with partial sale or IPO of Australian assets
