THE PERFECT BASE FOR GOLFING JAUNTS

alfway between the bustling resort town of Seminyak and the enigmatic Tanah Lot, where the iconic Pura Tanah Lot temple resides, is a beautiful five-bedroom villa named Kemala.

At just 2 km from the beach and a short drive to restaurants, beach clubs and bars in Seminyak and Petitenget, this central location is a perfect base for golfing jaunts into New Kuta Golf Club and even Handara Golf Resort, with a 25 per cent discount for guests of Kemala Villa Bali.

Set within the scenic rice fields of Canggu, the 1,750 square-metre property is caught in a confluence between serenity and activity.

But in truth, days can be spent in the sprawling secluded property and enjoying its well-appointed amenities and full butler service by a villa manager without needing to go out at all, except for golf.

A contemporary interpretation of Balinese architecture that utilises clean modern lines and stone art interior design, the villa features numerous indoor and outdoor spaces so guests can gather as they wish, or retreat to private areas for personal downtime.

Inside, the five bedrooms feature high ceilings with en-suite bath, TV room and kitchen.

Lush, yet structured with a waterfall

that flows through the garden into lotus ponds, one can wander in wonderment throughout the property taking in its natural flora or simply chill at its massive hanging terrace above the pool with a stunning view over the rice fields.

Below the hanging terrace is a Jacuzzi, and a large 20-metre long infinity pool that blends into the garden and comfortable deck chairs fitted with large umbrellas for days lazing by the poolside.

For guests wanting to enjoy more facilities, Kemala Villa also have full access to the nearby Finns Recreation Club featuring a water park with slides and a pool, bowling, trampolines and tennis.

With so much to offer, and the convenience of active living married with the comforts of a luxury stay, Kemala Villa is an enticing alternative to vacationers, especially groups of golfers looking to stay and play together, yet enjoy some private moments of their own.
