Singapore shares falter; STI down 1.6%

SINGAPORE shares ended lower on Friday (Feb 13), tracking losses on regional indices.

The benchmark Straits Times Index (STI) fell 1.6 per cent or 78.98 points to 4,937.78. Meanwhile, the iEdge Singapore Next 50 Index nudged down 0.4 per cent or 6.06 points to 1,513.52.

Across the broader market, losers outnumbered gainers 413 to 220, after 1.6 billion securities worth S\$2.6 billion changed hands.

CapitaLand Investment led the gainers on Singapore's blue-chip index, with a rise of 1 per cent or S\$0.03 to S\$3.12.

The worst performer among the STI constituents was Hongkong Land, which declined 3.4 per cent or US\$0.30 to US\$8.52.

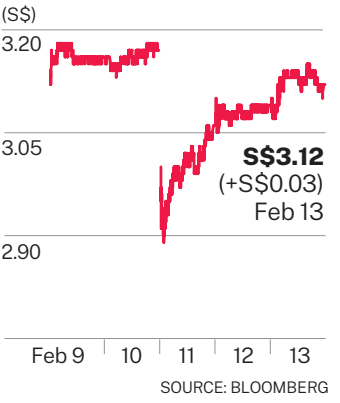

The three local banks all ended lower. DBS lost 1.2 per cent or S\$0.72 to finish at S\$57.06, OCBC fell 3.1 per cent or S\$0.67 to S\$21.11, and UOB was down 2.6 per cent or S\$1.01 at S\$38.47.

On the iEdge Singapore Next 50 Index, the best performer was Boustead. It closed 1.3 per cent or S\$0.03 higher at S\$2.26.

was iFast, which declined 4 per cent or S\$0.39 to S\$9.39.

Across the region, benchmark indices finished the day lower. The Nikkei 225 was down 1.2 per cent, the Kospi inched down 0.3 per cent, the Hang Seng Index lost 1.7 per cent, and the KLCI slipped 0.7 per cent.

Jose Torres, a senior economist at Interactive Brokers, noted that US stocks have experienced reversals after short ral-

lies at the start of trading, as dwindling artificial intelligence hopes coincided with lacklustre economic data.

The sell-off on Wednesday was sparked by nine out of the 14 major employment sectors in the US reducing headcounts over the last 12 months, and that on Thursday was due to intraday news that existing home sales plunged in January.

DBS launches zero-remittance-fee payment service to Chinese digital wallet

By Koh Kim Xuan
kkimxuan@sph.com.sg

DBS customers looking to transfer money to Chinese e-wallet Weixin Pay accounts without having to pay remittance fees can now do so with a new service by the bank.

The cross-border payment service to the Chinese digital wallet, also known as WeChat Pay, was launched on Friday (Feb 13) by DBS and TenPay Global, Chinese technology company Tencent's payment platform.

The launch comes a few days before the start of Chinese New Year, when DBS handles 30 per cent more in remittances to China, said its group head of consumer bank, Sanjoy Sen.

He added: "We've been seeing consistent double-digit, year-on-year growth in DBS Remit funds sent to China, reflecting the strength of cross-border ties between Singapore and the Chinese mainland."

Users can enable DBS' service through the "overseas transfer" option in the DBS digibank application, where they enter the details of a Weixin-registered recipient. The first payment goes through after a 12-hour cooling-off period.

No fees are charged for such direct transfers of money to Weixin-registered recipients. The funds can go into the recipient's Weixin Pay wallet or to bank cards linked to Weixin Pay.

Traditional remittance services provided by banks typically entail paying overseas transfer fees and foreign exchange (FX) charges, depending on market conditions and FX markups. Using global money-transfer platforms like Wise could also involve similar FX markups.

DBS also aims to connect DBS PayLah! with Weixin Pay. Users of the local mobile payment platform can make payment by scanning Weixin Pay quick response (QR) codes, or by presenting their own QR codes when transacting with businesses in China.

Substantial shareholder/director transactions
