

Apps for the Muslim consumer

APP	WHAT IT DOES
HalalTrip	Helps users plan their travels from flights and hotels to activities and restaurants
The Halal Dining Club*	Lets users discover, review and share restaurant details through customised search and social media
Muslim Directory	Enables users to find businesses such as restaurants, grocery stores, clothing stores and babysitters
iFinance	Educates users on the principles of Islamic Finance, such as the sharing of profit and loss, and prohibition of the payment of interest
InstaDeen	Allows users to take photos and overlay them with Islamic content for sharing

**Launching soon*
