

The smart car buying guide

New and upcoming launches

In November, five new car models made their way into Singapore showrooms. Ford brought in its Ford Ranger Raptor pickup, pushing the limits in technology, innovation and driving excitement, setting a new benchmark with its off-road capabilities.

Rolls-Royce rolled out the new Ghost and Ghost Extended, designed to be more dynamic, comfortable and minimalist while delivering next-level luxury. BMW delivered the high-performance BMW M2 CS, an exclusive and limited-run sports coupe and also offered its all-new 4 Series Coupe, with striking looks and significant

enhancement in technology and equipment. A refreshed 2021 Honda CR-V SUV joined the Japanese carmaker's range here, and is available with five or seven seats and a fresh exterior design. In the coming weeks, three new models are set to launch here. Crafted with a more aerodynamic and alluring appearance, the Lexus IS compact executive sedan will be virtually launched on Nov 26.

The new MINI Countryman crossover is also set to arrive. Finally, Bentley will bring its Bentayga SUV, via an interactive virtual launch at end-November.
