Singapore shares slip amid tariff jitters; STI down 0.1%

SINGAPORE stocks ended slightly lower on Friday (Jan 24), following the Monetary Authority of Singapore (MAS) easing monetary policy settings and US President Donald Trump calling for lower interest rates at the World Economic Forum in Switzerland.

Trump also announced plans to cut taxes for companies investing in the US, while imposing tariffs on those who choose not to.

The benchmark Straits Times Index (STI) fell 0.1 per cent or 2.31 points to 3,804.26.

Across the broader market, gainers outnumbered losers 269 to 193, after one billion securities worth S\$962.2 million changed hands.

The biggest gainer on the STI was Singtel, which rose by 2.9 per cent or S\$0.09 to S\$3.20. The telco conglomerate was also among the most actively traded counters by volume on the Singapore Exchange, with 31.2 million shares transacted.

At the bottom of the STI was Sats, which fell by 2.3 per cent or S\$0.08 to finish at S\$3.44.

The trio of local banks ended

the day in the red. DBS declined 0.7 per cent or S\$0.30 to S\$43.51, UOB was down 0.3 per cent or S\$0.10 at S\$37.25, and OCBC slipped 0.1 per cent or S\$0.02 to S\$17.07.

Across the region, key indices were mixed. South Korea's Kospi Composite Index gained 0.9 per cent, Hong Kong's Hang Seng Index rose 1.9 per cent, and the Shanghai Composite was up 0.7 per cent.

However, Japan's Nikkei 225 was down 0.1 per cent.

On Friday morning, MAS said it will "slightly" reduce the slope of the Singapore dollar nominal effective exchange rate – or S\$NEER – policy band, with no change to the width of the band or the level at which it is centred.

Jack Ma-backed Ant Group unit Anext Bank appoints CEO-designate

By Therese Soh
therese@sph.com.sg

DIGITAL wholesale bank Anext Bank, a wholly owned subsidiary of Jack Ma-backed Ant Group's overseas unit Ant International, welcomed a new chief executive officer on Friday (Jan 24).

Deputy chief executive officer and chief technology officer Kai Qiu is now CEO designate, and replaces CEO Toh Su Mei, who is leaving the bank after nearly four years at its helm.

In a LinkedIn post on Friday, Ant International CEO Peng Yang announced Toh's resignation from her CEO role "to open a new chapter in her life".

In the post, he thanked her for her contributions to the company and announced Qiu's appointment. "Kai Qiu, currently deputy CEO and CTO of Anext Bank, will take on the position as CEO designate."

Embedded finance

According to Toh's LinkedIn profile, she assumed the role of CEO at Anext Bank in June 2021.

From June 2024, she was concurrently general manager for digital lending services at its parent company, Ant International.

Qiu, in a LinkedIn post on Friday, expressed gratitude for Toh's contributions to the company.

He said that as part of the bank's strategy, it will continue to focus on embedded finance, which is its "strength and core".

Launched in 2022, Anext Bank is a digital wholesale bank incorporated in Singapore that provides digital financial services to local as well as overseas customers.

A significant portion of its customer base includes micro and small and medium-sized enterprises.

Its parent company, Ant International, is the international arm of Ant Group – the fintech behemoth linked to Alibaba Group, which is co-founded by Chinese billionaire Jack Ma.
