			Loss to profit	31	38	Profit to loss	48	56
			Higher profit	107	126	Lower profit	145	156

Notes

- Only includes results with year-ago comparable data.
- Numbers for each quarter comprises all reported three-month periods that end within the April-to-June quarter.
- Profit refers to net profit attributable to shareholders.
- Data reported in foreign currency are converted into Singapore dollars at historical rates.
- Semi-annual figures are used when available; otherwise quarterly numbers are added to derive year-to-date amounts.
